Returning Officer's response

The following is the response we have received from the Staffordshire Moorlands District Council's Returning Officer with regards to the Review:

Dear Sir/Madam

Please find below my comments on the polling place that is under review.

District Ward	Polling Station(s)	Comments
EC	Daisy Bank House Business Centre	Due to the closure of Hammersley Hayes Community House, it is felt appropriate to move the polling station to Daisy Bank House Business Centre which has adequate polling station facilities, and is accessible for disabled voters.

Yours sincerely

Simon W Baker
