Biddulph Neighbourhood Plan and Neighbourhood Development Order Examination

Modifications consultation

It is considered that the neighbourhood Development Order (as modified) is considered to have met the necessary requirements in order to proceed to referendum.

Whilst the majority of the Examiner's recommendations regarding the Neighbourhood Plan are accepted, revised modifications have been identified as being necessary in order to meet the basic conditions or to address errors.

We are only inviting comments on the modifications which differ from those proposed by the examiner.

The consultation on the modifications will commence on Wednesday 16 August and close at midnight on 27 September 2023. Please send any comments during this period to forward.plans@staffs Moorlands.gov.uk
