War Pension and Armed Forces Compensation Disregard Policy

Policy document effective from 1 April 2024

Revenues and Benefits Team

April 2024

Introduction

1. The Housing Benefit Regulations 2006 make provision for the first £10.00 of income from War Widows (Widowers)/War Disablement Scheme and the Armed Forces Compensation Scheme to be disregarded in any benefit assessment. The cost of this disregard is fully reimbursed to the Council.
2. The Social Security Administration Act 1992 gives the Council discretion to disregard any amount it chooses in addition to the statutory provision. The Council has taken advantage of this provision and fully disregards income that claimants receive from the War Widows (Widowers)/War Disablement Scheme and the Armed Forces Compensation Schemes. The cost of this is borne by the Council.

Policy Aims

3. The policy aims to:
 - Ensure income from the schemes is treated consistently when assessing entitlement to housing benefit;
 - Ensure that everyone gets fair treatment and equal opportunity;
 - Promote a transparent and simple process that is easily understood; and
 - Provide staff with guidance for making reasonable, fair, and consistent decisions.

Policy

4. The Council will fully disregard income from War Widows (Widowers)/War Disablement Scheme and the Armed Forces Compensation Scheme when assessing entitlement to Housing Benefit.
