

### Aim 1

Help create a safer and healthier environment for our communities to live & work

### Aim 2

Use resources effectively and provide value for money

### Aim 3

Help create a strong economy by supporting further regeneration of towns and villages

### Aim 4

Protect and improve the environment

1. **Public Interest:** the concerns of local people should influence the issues chosen for scrutiny  
(1= low public interest, 2=medium public interest, 3=high public interest)
2. **Ability to change:** priority should be given to issues that the Committee can realistically influence  
(1= little chance of changing, 2=reasonable chance, 3=good chance)
3. **Performance:** priority should be given to the areas in which the Council, and other agencies, are not performing well.  
(1= good performance, 2=moderate performance, 3=low performance)
4. **Extent:** priority should be given to issues that are relevant to all or large parts of the District.  
(1= only one ward, 2= multi-ward issue, 3=the entire District)
5. **Replication:** work programmes must take account of what else is happening in the areas being considered to avoid duplication or wasted effort.  
(1= already well covered, 2=already partly covered, 3=not already covered)
